Session: Understanding the University Context: Developing Your Teaching Presence and Philosophy Thursday morning

*What skills and techniques did I learn that will help me become a better educator?*

- identified qualities/characteristics of my ideal teacher
- learned about qualities of good teaching philosophies/statements
- obtained a short list of reading materials

*What things am I still uncertain about regarding this topic that I need to investigate further in the future?*

- teaching philosophy format
- how to engage students that don't speak in class/don't care

*How can I apply materials from this session to my own class to enhance the effectiveness of teaching and learning?*

- pull from a new network of like-minded student educators for reference
- hard to tell, so far...
- review assumptions (critique them)
